Hi Kumar,

This is with reference to the discussion we just had. It has been a difficult decision for us. We recognize the efforts you have put into your work at Kenverse, however, we are a fast growing startup, high performance from employees is of prime importance to us at this stage. Your work unfortunately did not meet the business expectations. Keeping in mind the best interest of the Company and your skills, we would have to end your engagement with Kenverse Private Limited effective today i.e. 4th May 2025, we will however pay you salary for 1 month in lieu of the notice period.

Please be assured that we would be providing you with an experience letter and any necessary documentation to help you in your future endeavours.

Kindly submit your laptop, charger, ID card and any other company assets to the caretaker in office tomorrow. Please also exit all the company whatsapp groups

We would like to thank you for your time and contributions to Kenverse.

Wishing you the best!

Kind Regards,

**Sharanya Narayan**
